DRIVING LESSONS LATE CANCELLATION FEE

(You are reserving a training vehicle and a certified instructor for a two hour period.)

TIME FRAME FOR DRIVING LESSON CANCELLATION

If a driving lesson is scheduled **Tuesday through Saturday**, 24 hours prior notice is required.

If a lesson is scheduled **Sunday or Monday**, notification is required before noon on Friday.

Cancellations requested by client due to **rain** are subject to the cancellation fee.

If weather conditions are severe, the instructor may cancel the appointment.

TO CANCEL A DRIVING LESSON

Call 546-3238

Leave a message if necessary.

DO NOT EMAIL a cancellation request.

Lesson may be rescheduled **after** the fee is paid.

Changes to pick up location require the same time frame notification as cancellations. If you make such a request, but do not receive confirmation of the change, meet the instructor at the originally scheduled pick up location to avoid the cancellation fee.

Email reminders are sent as a courtesy. Some clients do not read the reminders or, for technical reasons, may not receive them. Once you have scheduled a lesson, it is your responsibility to know the date, time and pick up location of that lesson.
